### President's Message

We are having our first in person meeting for the year and it will be great to see everyone, enjoy a meal, and get some business done.

We have the opportunity to bring the Member's Show to Grand Junction every year rather than odd years only. This is because the Art Center has opened the Kephart Gallery giving them more exhibition space. While we loved and appreciated showing in Montrose there is energy for keeping the show in Grand Junction. This will be decided at the upcoming business meeting 5/11/2022 in Delta at Dani's home.

I am attending the David Smith art class in Southern France this June. My wife and I are going three weeks early with two great friends, John and Peggy from Boulder, Colorado. Peggy will also be attending the class. They have had a home in the area which they just sold but we will be staying

there for a week and then touring around with them. John speaks fluent French which will make the trip much more enjoyable. I wish you were all going.

Keep painting.

Tim

Enjoy your trip, Tim. Bon Voyage!
