Congratulations to all winners!

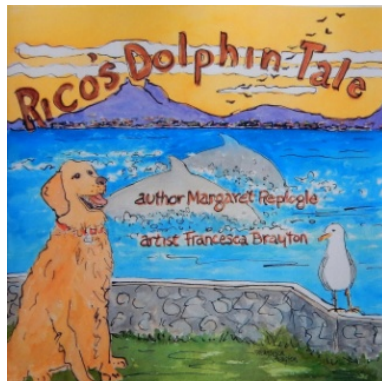

A Note from Dani Tupper:

ARCHES WATERCOLOR BLOCKS

Dani's class has had numerous blocks come apart so she emailed a complaint through the Arches website. Their reply was that they are trying to correct the glue they use; but they have also offered to replace the ones that have come apart. They require the number on the inside cover, type, size and weight of the paper. If anyone has had this happen, go to Arches website, email them about it and I am sure they will also agree to replace any of yours that have come apart.
